### NOTIFICATION OF PROPOSED CORRECTIVE ACTION PLAN

D & S Stop & Shop, Inc, UST identification number 1556-035, located at 640 W Water Street, Flemingsburg, Kentucky has proposed a plan to clean up gasoline contamination from the soil and groundwater.

An underground storage tank system caused the release of gasoline. A site investigation has been completed to determine the horizontal and vertical extent of contamination to the environment.

Proposed corrective measures include air sparging/soil vapor extraction. The proposed activities are designed to restore the environment to levels specified in 401 KAR 42:080.

The Kentucky Department for Environmental Protection proposes to approve the Corrective Action Plan. The tentative decision is based on a thorough review of site conditions, Kentucky statutes and regulations.

Copies of the Corrective Action Plan are available from the Division of Waste Management at the above address. Persons wishing to submit written comments on the Corrective Action Plan should direct them to the Division of Waste Management within thirty (30) days after publication of this notice.

Upon request, the Cabinet will provide a copy of the Corrective Action Plan in an alternate format.
